Product Description

11 seats Passenger Big Space Ev Mini Bus Electric Vehicle bus with 30/70kw Motor

Products Features:

KINGLONG LG 6 is very round and plump as a whole, with a clear front face. A silver chrome strip in the middle connects the logo with the headlights on both sides. The headlights are of eagle eye design, which is very sharp. Further down is a black air intake grille design, below which are fog lights and a row of small air intakes, which are conducive to the heat dissipation of the bottom battery when driving.
